PRO NATIONALS CANCELLED

The IRT regrets to announce that the Pro Nationals in Chicago has been cancelled. Due to difficult economic conditions, the event was unable to raise the proper funds to support the event. The IRT hopes to return to Chicago in the 2010/2011 season.

The IRT plans to release its 2010/2011 schedule in May, and is excited to bring professional racquetball to a city near you.
